Background

Jersey Finance is an award-winning, leading international finance centre (IFC) which prides itself on being at the forefront of industry developments, consistently looking to the future with a forward-thinking, well-regulated approach.

As the promotional body of our finance industry, Jersey Finance has a global presence with offices in Jersey, Dubai, Hong Kong, New York; representation in London and Shanghai, as well as a virtual office in Mumbai.

Objectives

With a vision to promote Jersey as the clear leader in future-focussed international finance, we champion the competitive position and positive impact of Jersey's finance industry, both locally and internationally. We actively demonstrate and utilise Jersey's global network, expertise and connections to support Members' international business flows and opportunities, showcasing Jersey as an IFC of choice for innovation, sustainability and expertise.
