LUXEMBOURG SUSTAINABLE FINANCE INITIATIVE

www.lsf.lu

Background

Luxembourg Sustainable Finance Initiative (LSFI) is a not-for-profit association that designs and implements the Sustainable Finance Strategy for the Luxembourg financial centre. Its objective is to raise awareness, promote and help develop sustainable finance initiatives in Luxembourg.

LSFI was founded in January 2020 by:

- Luxembourg Ministry of Finance
- Luxembourg Ministry of Environment, Climate and Sustainable Development
- Luxembourg for Finance, the agency for the development of the financial centre
- The High Council for Sustainable Development (Conseil Supérieur du Développement Durable)

Objectives

- Raise awareness, promote and help develop sustainable finance initiatives.
- Be a central point of contact for all sustainable finance actors.
- Promote Luxembourg's role as international hub for sustainable finance.
- Elaborate and implement the Luxembourg Sustainable Finance Strategy.
