Background

Nairobi International Financial Centre is one of the flagship projects within the Economic Pillar of the Kenya Vision 2030, which falls under the Financial Services Sector. The National Treasury is the implementing department, with the Nairobi International Financial Centre Authority (NIFCA) established by Executive Order to drive the process of creating the Centre.

Objectives

NIFCA is planning to develop a strategy on green and sustainable finance, building on local innovations in the space such as delivery of financial services through mobile technology.
